

SUSQUEHANNOCK MARCHING BAND REQUIRED UNIFORM COMPONENTS ORDER FORM

Dear Parents,

It is hard to believe we are already planning for next year's band program. We are trying to simplify some things especially for incoming students. We will be collecting shirt sizes and fees up front to cover the costs of mandatory uniform components and the required sitting fee for Lifetouch. This, we believe, will make it easier on the parents and on us so that we can order these components in a more timely and efficient manner. Returning students who have one or more of the components listed below can simply add the amount of each item needed for their final cost.

Required Items Total \$100 for all incoming marching band students
